

ADHYAAYA MODEL UNITED NATIONS

Entry Fees : Rs. 700/-

Date: 26th and 27th March

Mode: Offline

Event Description:

A MUN is a simulation of an actual United Nations conference, where students are tasked with solving a global issue through research, drafting, lobbying and debate to pass a suitable 'resolution'.

Students take on the roles of delegates, speakers, and chairs, representing different countries and work together with other students from different backgrounds to take part in discussions and reach a solution for the agenda they are assigned.

While the existence of MUNs can be traced back to the U.S. in 1949, in India they started gaining popularity in 1996 and since then have been conducted on a regular basis at international and national levels. United Nations Information Centre – New Delhi collaborates with nearly 50 Model UN conferences per year in India, organized by schools and universities.

The agendas or topics taken up during the MUNs are a reflection of real- world issues discussed by the United Nations, and range from general topics such as rights of religious minorities to specific topics such as improvement of accident safeguards surrounding nuclear plant. The entire process and discussion take place under formal. 'Rules of Procedure' to truly model the format of the UN. Preparing and participating in a MUN helps students develop leadership. Skills, research, writing, public speaking, and problem-solving skills. Moreover, coming up with solutions that are acceptable to a majority of the representatives also inculcates skills of negotiation, conflict resolution, and cooperation.

Adhyaaya MUN will conduct two committees this year i.e DISEC and Lok Sabha

- **Disarmament and International Security Committee (DISEC):**

The Disarmament and International Security Committee (DISEC) is the First Committee of the United Nations General Assembly.

The committee concerns itself with questions of international importance regarding the security and demilitarisation throughout all countries and regions, along with ensuring that citizens across the globe remain protected and emergency human rights cases. These special rapporteurs create reports that are then published for the global community to view as feasibly as possible when writing your resolutions. DISEC will be tasked with addressing critical questions of thematic relevance for the committee. These questions are meant to be discussed to rethink the world in the modern era and how the international community can come together to ensure the sovereignty and self-determination of states. The expansive nature of the topics will require inventive and unconventional solutions, tackling not only the short-term issues but the long-term strategic risks

- **.Loksabha** : The Lok Sabha, constitutionally the House of the People, is the lower house of India's bicameral Parliament, with the upper house being the Rajya Sabha.

Members of the Lok Sabha are elected by an adult universal suffrage and a first-past-the-post system to represent their respective constituencies, and they hold their seats for five years or until the body is dissolved by the President on the advice of the council of ministers. In a Parliamentary democracy, the government is collectively responsible to the Parliament for its actions. Therefore, MPs have several devices at their disposal to scrutinise the work of the government. These include asking questions on the government's policies and debating on national issues. An MP can raise issues in the House either on behalf of their political party or independently. In certain interventions, an MP can directly submit his name to the Speaker for consideration. In other interventions, the party leadership decides which MPs will speak on the issue and communicates the names of such MPs to the Speaker.

GOVERNMENT COLLEGE
OF ENGINEERING,
NAGPUR.

ADHYAAYA'22

MUNers are about to embark on a life-changing journey that will help you develop confidence in leading others, a stronger awareness of global issues, and the chance to make new friends from around the world. Model UN is a valuable experience that can help you get into college, find your first job, and become inspired to change the world.
