

CADDICTION

ENTRY FEES: 60 Solo, 100 Duo

DATE : 27th March 2022

EVENT DESCRIPTION:

Adhyaaya presents a competitive 3D designing challenge. With CADDICTION, explore your skills, and compete with your peers to bring out the best designer in you. Test yourself in the most productive event that will increase your value as an Engineer.

It will consist of two rounds namely

Round 1: The Quiz (Online Mode)

- The Quiz will contain 30 Questions mostly MCQs, MSQs, and reasoning-based questions based on designing.
- The set of questions will be different for people coming from different backgrounds. (Civil, Mech, Architecture, etc)
- The time limit for the test will be 20 minutes.
- It will be an elimination round.

ROUND 2: The 3D Model

- In this round, the participants have to design a 3D model based on their problem statement within the time limit.
- The problem statement can consist of dimensions or various engineering drawing illustrations based on their branch.
- The question set will be different for each branch.
- The question set will be sent to the participants via email as well as would be uploaded on google classroom.
- The time provided for this round will be 2 hours.
- The participants have the flexibility to use any kind of CAD software or PARAMETRIC software.
